Good morning Andy and Jenny,

Here is a draft of the letter to Andrew Hartten of Chemours. In the interest of timeliness, I thought it best to send it under Jim Bennett's signature. Essentially, everything we are requesting is addressed under the Amended Order. Let me know if you have any changes, additions or edits. Jenny, if you are aware of any small PWSs in Ohio that you would like Chemours to confirm for PFOA testing, please add them to the list in #3. Also, feel free to share the letter with Jacquie if she is interested. Thanks.

Roger
